Our speaker this month is Lisa E Benson, Host of the Lisa Benson Radio Show for National Security. The topic of her speech will be "The Bible Belt is Under Shariah Assault: A Call to Action".

Lisa is the only woman Talk Show Host in the Nation devoted to National Security Matters on AM Radio.

Lisa, host of the highly regarded program, will be starting her South Carolina Tour in the Upstate area. She has served as a developmental consultant in the counter-intelligence movement since the week of 9-11. Lisa has amassed a tremendous amount of knowledge and contact within the national security sector. Lisa is using her resources to educate the American people in national security threats. She is an engaging public speaker, Mideast

policy hawk, foreign policy analyst, mom and daughter of US Army soldier first to liberate concentration camps during WWII.

Her riveting presentation describes, in detail, how the forces of the Muslim Brotherhood (founded in Egypt) have made their way into the United Government, the United States Military, the FBI and the other government institutional branches, including the State Department. Lisa also explains the Muslim Brotherhood roots in communities across America, especially in the communities of the Bible Belt. Her presentation explains how to identify forces of terrorism entities in your community, how to address it with City Council Members and HOW TO STOP SHARIA IN YOUR HOMETOWN.

For information on her check out the website www.lisabensonradioshow.com.

Notes of Interest from Our President -- Linda Slaton

The GSP Republican Women's Club would like to invite you, your officers, and your members to an informal picnic on ...

**Saturday July 26
from 6:00 PM to 8:00 PM Century Park in Greer**

We're reaching out to all the GOP Women's Clubs in the "top ten" counties in South Carolina, commonly referred to as the "Upcountry". We'd like to get to know you and find out how you are being successful in your counties! The Upcountry has a mindset which is unique in South Carolina. We're a bit more conservative than other parts of the state, and that can determine how our local elections and even some of our statehouse elections are conducted.

We envision an 'Upcountry Republican Women's League' with three near future goals:

- Establish a communication network to share best practices and success stories.
- Plan a conference in the early spring of 2015 looking toward the 2016 elections and how we can impact them.
- Raise up thriving and impactful GOP Women's Clubs in the Upstate counties currently without one.

Please join us on July 26 at Century Park in Greer, located at 3605 Brushy Creek Rd, Greer, SC 29650. We've reserved a shelter, and we'll also have a few pop up tents and tables. Bring additional chairs if you like and a picnic supper. We're going to have a "Picnic Supper Swap", so pack something delicious that you'd like to swap with someone else! GSP Republican Women will provide home baked desserts, iced tea, and water.

During our get together, each club will have an informal 5 minutes to share exciting news/recent successes. Please bring "two great ideas" on campaigns, fundraisers, projects, community interaction, education events, etc.

Please contact Kelly Rowe via email at rowetribe10@gmail.com to RVSP. This invite is for each Club's President, Officers, general and associate members.

We are very excited about the potential to learn from each other and use these ideas to grow our organizations! We look forward to seeing you on July 26!
