United States Senator Tim Scott is working daily to ensure that every American has the opportunity to succeed.

Senator Scott grew up in a single parent household in North Charleston, South Carolina, Tim learned the importance of faith, hard work, and living within your means. Senator Scott grew from his humble beginnings to build one of the most successful Allstate agencies in South Carolina.

He believes that despite our current challenges, our nation's brightest days are ahead of us. Tim's story is a concrete example of that the American Dream is alive and well.

Senator Scott served in the United States House of Representatives from 2011-2013, where he was a member of House leadership and sat on the influential House Rules Committee. Tim also served on Charleston County Council for 13 years, including four terms as Chair and in the South Carolina House of Representatives for two years where he was elected Chairman of the Freshman Caucus and House Whip. He was the owner of Tim Scott Allstate and partner of Pathway Real Estate Group. Then he was sworn in to the U.S. Senate in January 2013.

He has launched his Opportunity Agenda, a new way forward including robust initiatives that give our students and workers the greatest chance to succeed. His agenda will empower Americans through economic freedom and high-quality education.

Tim also continues his work to get our nation's spending under control, and has opposed measures he believes do not go far enough. In his first hundred days as a Senator, he worked with colleagues to introduce a Balanced Budget Amendment, and was an original cosponsor on a bill to permanently ban the wasteful earmarking process.

Senator Scott is also bringing in all of the Presidential Candidates to South Carolina in his Tim's Town Halls. Check out his schedule at www.timstownhalls.com.

Please note: The cost for Members for this month's event is \$17. The cost for Non-Members for this month's event is \$20.

Notes of Interest from Our President, Mrs. Linda Slaton:

PRESIDENT'S NOTES:

The South Carolina Federation of Republican Women will hold the state convention in Spartanburg on October 30, 31, and November 1. (Friday, Saturday and Sunday). We have a great opportunity to attend this convention since it will be right next door. The GCRWC will be able to send 15 delegates to this convention and pay their registration fee of \$100.00. At the August meeting, we will be taking names from the floor.

SPECIAL MEETING:

Dr. Ben Carson will be our speaker for a special meeting Friday November 13 from 9:00-11:00, The details are still being worked out, but the date and Dr. Carson are definite. Please mark your calendar.

LEGISLATIVE NOTES -- Karen McManaway

Center for Self Governance Keeping the Republic.

The Center for Self-Governance "CSG" is sure an eye opener. It changed the way I viewed politics, voter's rights and responsibilities. No matter who we are, we have the capability of changing our society to whatever we wish it to be within the context of liberty.

Warning: the classes are thought-provoking and will cause a paradigm shift in your thinking. It is astonishing to see how society's thinking has become skewed and contrary to the founders' intent. Restarting our thought process through this class is like opening a window to an entirely new understanding of governance.

The Center for Self Governance is a non-profit, non-partisan educational organization dedicated to training citizens in applied civics, founded on the belief in the capacity of mankind for self governance. Self governance is exercising your individual liberty, personal responsibility, and civic authority to control instituted government.

As citizens, we often lack the political knowledge, skills and ability to articulate our desire to make the policy changes necessary to keep our government to its proper role. Modern civics training teaches conventional political theories. The CSG teaches unconventional, tried and tested techniques in applied civics proven to Keep the Republic. CSG training puts you, the citizen, in the drivers seat of self governance. You choose the issues, candidates, and agendas to address, just as our government of, by, and for the people was designed.

There are 5 course levels and each one builds on the other. First things first. There is a level 1 training coming your way. It is Saturday, August 22nd from 9:30-5:30 at a private residence here in Greenville. We welcome you to invite your contacts to join us as together we restore the balance of governance to what it was intended to be by our founders. The cost is \$50.00. I promise you it is money well spent.

If you are interested please email me at karenmcmaway@gmail.com.
